

Relax and enjoy your time with us.

Our hotel offers:

- Dry sauna
- Cardio exercise equipment
- Multifunctional atlas exercise machine

Our elegant hotel is beautifully situated next to three ponds at the site of a former health resort. The surrounding grounds, which include walking paths, forest trails, ponds and a Beech Forest, are ideal for biking, nordic walking, jogging or a leisurly walk. For our guests visiting with families, there are two playgrounds within walking distance.

We also recommend Trzebnica Aquapark "Zdrój", which is located 150 m from the hotel.
